

# About Us

The Retreat House is a space in Eads, TN that invites people to step away from the busyness of life to intentionally connect with God, self, and others. We journey with people to find rest, healing, and spiritual rhythms through full circle care.

We are seeking an energetic, self-starter that is eager to learn and serve others. As an intern, you will have access to the retreats and workshops offered at The Retreat House as well as mentorship from our Leadership Team.

## Hospitality

### ***What is Expected:***

Ensuring events and retreats run smoothly, while embodying the care and warmth we strive to provide.

Assist with the preparation and execution of events and retreats, focusing on setting up spaces of welcome, preparing refreshments, and managing meals when needed.

### ***What is Gained:***

Experience interacting with participants

Skills in organization, attention to detail, and event logistics

internship with  
the  
retreat house

10-20 hours a week  
June-August

## Cabin Stays

### ***What is Expected:***

We often have clients stay with us on property in The Cabin. You would work alongside our Cabin Coordinator to facilitate the prep and turnover of these stays.

### ***What is Gained:***

Experience in the practical and spiritual care of those seeking extended, overnight retreat.

## Non Profit Leadership

### ***What is Expected:***

Assist in spreading the mission and vision of The Retreat House to those in your networks who might support or participate.

### ***What is Gained:***

A first hand look at the marketing, fund raising, design work, and administrative work that goes into inviting people into this mission.

Looking for an energetic, self-starter.
